Gary:

Phillip Joseph's hours on 4/28/2015 were for working on Reps and Certifications for Carbon Air. Carbon Air was awarded a change order and their previous FAR Reps and Certification had expired. Phillip worked with them to accepted the change order and update their documents. The carbon adsorption unit is scheduled to be pick up on May 6th.

Phillip's hours for 4/29/2015 were for finalizing the subcontract 201687 with US Ecology. I have talked to Phillip about adding more information on his comment in the future. We would like to go final on this draft.
